

DJSCHOOLUK

Sustainability and environmental policy statement

DJ School UK is committed to minimising the impact of its activities on the environment.

The key points of its strategy to achieve this are:

- Minimise waste by evaluating operations and ensuring they are as efficient as possible.
- Actively promote recycling both internally and amongst its customers and suppliers.
- Meet all the environmental legislation that relates to the Company.

In addition to the above:

DJ School UK accepts responsibility for the harmful effects its operations have on both the local and global environment and, although these effects are very small, is committed to reducing them.

The Company will comply with all relevant environmental legislation.

The Company will implement a training program for its staff to raise awareness of environmental issues and enlist their support in improving the Company's performance.

DJ School UK will encourage the adoption of similar principles by its suppliers.
