Equal Opportunities Policy

Policy Statement

DJSchoolUK is committed to a policy of equality of opportunity for all and aims to ensure that no potential or actual employee, partner or participant is treated less favourably than another because of race, ethnic origin, religion, gender, sexuality, disability, age, marital or economic status.

DJSchoolUK will seek to ensure that our projects enable young people who are from potentially excluded groups to participate fully and to succeed.

DJSchoolUK will actively promote equality of opportunity throughout its employment and working practices and will encourage other organisations with which it works to adhere to the same principles.
